

WTL Homework Week 25

- 1) Follow the directions on your code sheet to correct your essay on *The Endless Steppe*. **Remember to turn in your paper so I know what codes I've marked.**
 - 2) On your essay, look for places where you've used the word "not" (I've marked them). On the same paper with your corrections, write what you wrote in your paper, then change the sentences to eliminate the word "not," as we did two weeks ago in class.
 - 3) If you haven't, finish reading chapters 1-16 of *The Scarlet Pimpernel*. Please don't read ahead.
 - 4) Answer the questions for *The Scarlet Pimpernel*, Part 1.
 - 5) Poetry: Write a paragraph or poem about your favorite pair of shoes. Describe them so your reader can see them in his or her mind, and explain why this pair is your favorite. Make sure it's long enough to paint a picture in your readers' minds.
 - 6) Vocabulary: **I've posted all the words for the next test on my website.**
Bravado—false courage or bravery
Insinuation—hint, subtle suggestion
Largess—generosity; kindness
Ludicrous—silly, irrational
Pariah—an outcast
- 5) Work on your poetry memorization, which *must* be completed in April.
